

Quick Facts on Our Premier Community Giving Charitable Partners

MISSION

Prevent cruelty, abuse, neglect, and exploitation of children and animals and to assure that their interests and well-being are fully, effectively, and humanely guaranteed by an aware and caring society.

The Community Giving account donations will support the Animal Division.

VISION

American Humane envisions a nation where no child or animal will ever be a victim of willful abuse or neglect.

PROGRAMS TO PROTECT ANIMALS

- Shelter Services
 - Provides Information and support shelters need.
- Getting to Zero®
 - By sharing best practices in spaying and neutering, promoting adoptions and the human-animal bond, and partnering with other animal welfare organizations, American Humane is “Getting to Zero” and creating a world where no adoptable, treatable animal will have to be put down.
- Animal Emergency Services
 - Red Star Animal Emergency Services responds to emergencies across the country to rescue, treat and shelter animals.
- Farm Animals
 - The American Humane Certified™ program ensures that farm animals are given a “humane touch” and guarantees customers that the products they select are from animals that were raised and treated humanely throughout their lives.
- Leadership Development
 - Series of trainings in shelter operations, management, fund-raising and other important areas.
- No Animals Were Harmed®
 - American Humane’s Film & TV Unit has monitored the animal action on sets since 1941. In movies, television shows and commercials, AH makes sure animals are treated humanely and that their needs for food, water, safety and security are met.

RECOGNITION

- Meets Better Business Bureau’s “Wise Giving Alliance Standards”.
- Awarded the Independent Charities of America “Best in America” Seal of Approval – fewer than 2,000 of more than 1 million charities are awarded.
- The “No Animals Were Harmed”® end credit has become highly recognized.
